

## International Literacy Day Tuesday 08/09/15

Thornton Heath and Norbury Childminders took part in the International Book Day by bringing along a range of story books from around the world to share. 3 Childminders took it in turns to read a selection of the books to the children. The children enjoyed looking at the pictures, listening to the stories and even joined in with the counting when reading 10 Little Fingers and 10 Little Toes, named the fruits in Handa's Surprise and learnt the names of two animals from Australia, Wombat and Koala.
