

Squirrel Community Scrap Scheme

On Tuesday I made a visit to Squirrels to see what goodies they had in store. As you can see this place is like an Aladdin's cave. There are many resources which are free and some extremely cheap. There are lots of materials and resources for those who like to sew and do junk modelling with the children. There are lots of coloured paper, cards, paint, glitter etc.

With Christmas coming up you can get lots of resources for activities to do with the children.

Remember, as a member of the CCMA, you can join for just £10.00 a year plus initial one off admin fee of £5.00.

Check their website or call for opening days and time. They also open one Saturday morning in the month.

See their website for more information
